Dear Harold;

Thanks for keeping me up to date on your health and progress with your legal problems with D.J.. Today they released the rest of the JFK files and the commentators knew all ready that there are no new findings. They sure can plow through it fast. What they claimes was new was that Warren didn't want to head a Commission. Some news.

I am sending you the Times ad which I imagine ran in most of the big papers in the country. I love his panel of experts. These ads must have cost a bundle. Were you approached? I can imagine not with Lane in there.

Also am sending the Nov. issue of Penn Jones news letter which I received late.

Hope you are not freezing your you know what off. Give my best to Lil and Jim.

Best,

Paul
